

St. Mary's Birthday Book Club

2010-2011

St. Mary's Birthday Book Club is a great way to build and support our school library. Quality books are purchased and donated to the library in your child's honor. Special nameplates are placed inside the book acknowledging your student's special day.

If you are interested in your child joining our birthday book club, complete the form provided and include a check for \$15.00 payable to St. Mary's School. (Please note birthday book club in the memo section of your check.) This gift will purchase a quality hard-back book with an Accelerated Reader test.

Thank you for helping build our library.

Cathy Pugsley
St. Mary's School Librarian
