

Michael Zeigler is an experienced educational leader and administrator who has a wealth of teaching, coaching, and administrative experiences in Episcopal, independent, and private school environments. Mr. Zeigler earned his M.Ed in Curriculum and Instruction with an emphasis on technology from Houston Baptist University and his B.A. in Music from Franklin & Marshall College. In addition, Michael has coached cross country, track, football, and baseball.

Michael will be joining St. Mary's Episcopal School from St. George Episcopal School in San Antonio, TX, a PK4 - 8th grade coeducational day school. Mr. Zeigler served St. George for 10 years as the Director of Marketing and Advancement, Director of Technology, and member of the Senior Leadership Team. Michael's tenure at St. George was filled with many accomplishments and highlights including increased fundraising efforts, successful strategic planning initiatives, building renovations and new construction projects, increased enrollment, curriculum development, and faculty and staff growth.

Prior to his work at St. George Episcopal School, Mr. Zeigler was the Technology Director at St. Luke's Episcopal School in San Antonio, TX, a Technology Director and coach at Wakefield School in The Plains, VA, and an elementary and middle school teacher, dorm parent, and coach at St. Mary's Hall in San Antonio, TX.

Mr. Zeigler has led and participated in numerous professional, educational workshops across the country throughout his career. Michael is also a veteran of the school accreditation and self-study process, where he has served as a member of Southwest Association of Episcopal Schools teams and worked closely in the area of Facilities and Safety and Organization and Administration. Michael is an avid sports fan (especially all Pittsburgh teams) and is a technology enthusiast. His hobbies include running, golfing, and attending concerts. His great joy is discovering shared interests and making connections with colleagues, parents, and students.
